

# Making a Transformation (MAT) Conference 2024

*Transforming California's Medications for Addiction Treatment System*

CALIFORNIA  
Hub & Spoke  
SYSTEM

MAY 8 & 9 | VIRTUAL

**UCLA**

David Geffen School of Medicine

**Integrated Substance Abuse Programs**

Advocates for Human Potential, Inc.  
Real World Solutions for Systems Change

UCLA Integrated Substance Abuse Programs (UCLA ISAP), Advocates for Human Potential (AHP), and Aurrera Health Group welcome you to the **Making a Transformation (MAT) Conference 2024: *Transforming California's Medications for Addiction Treatment System***, funded by the Department of Health Care Services.

The Making a Transformation (MAT) Conference is intended to address ways that California treatment providers can improve access to evidence-based treatments for substance use disorder, including medications for addiction treatment, across a variety of health care settings. Opioid overdoses, specifically related to fentanyl and stimulants, have continued to rise. This conference provides an opportunity for Hub and Spoke grantees to continue learning together to provide best practices to address patient needs in their programs.

## **CREDIT DESIGNATIONS**

UCLA Integrated Substance Abuse Programs (ISAP) is accredited by the California Medical Association (CMA) to provide continuing medical education for physicians.

UCLA Integrated Substance Abuse Programs (ISAP) designates this live and online learning course for a maximum of seven (7.0) *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The California Board of Registered Nursing recognizes that Continuing Medical Education (CME) is acceptable for meeting RN continuing education requirements as long as the course is certified for *AMA PRA Category 1 Credit™* ([rn.ca.gov](http://rn.ca.gov)). Nurses will receive a Certificate of Participation following this activity that may be used for license renewal.

UCLA ISAP is also accredited to provide up to seven (7.0) continuing education (CE) credit(s) for the following certified and licensed professionals:

- Licensed Marriage and Family Therapists/Licensed Clinical Social Workers/Licensed Professional Clinical Counselors/Licensed Educational Psychologists (LMFTs, LCSWs, LPCCs, LEPs, through the California Association of Marriage and Family Therapists)
- Registered Alcohol and Drug Trainees I/II, Certified Alcohol and Drug Counselors-Certified Addiction Specialists, Certified Alcohol and Drug Counselors I/II, Certified Alcohol and Drug Counselors-Clinical Supervisors, and Licensed Advanced Alcohol and Drug Counselors (RADTs I/II, CADCs-CASs, CADCs I/II, CADCs-CSs, and LAADCs; through the California Consortium of Addiction Programs and Professionals (CCAPP))
- Certified Addictions Treatment Counselors (CATCs, through the Addiction Counselor Certification Board of California/CAADE)
- Certified Alcohol and Other Drug Counselors (CAODCs, through the California Association of DUI Treatment Programs (CADTP))
- Psychologists (PSYs, through the American Psychological Association)

## **FACULTY DISCLOSURES**

None of the presenters, planners, or others in control of content for this educational activity have relevant financial relationships to disclose with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.

## **COMMERCIAL SUPPORT ACKNOWLEDGEMENT**

This CME activity received no commercial support.

## **CULTURAL AND LINGUISTIC COMPETENCY**

The planners and speakers of this CME activity have been encouraged to address cultural issues relevant to their topic area for the purpose of complying with California Assembly Bill 1195. Moreover, the Pacific Southwest Addiction Technology Transfer Center, a regional training and technical assistance program of UCLA ISAP, has access to many useful cultural and linguistic competency tools including culture guides, language access information and pertinent state and federal laws. You are encouraged to visit the ATTC Network's Building Health Equity and Inclusion Portal, available at: <https://attcnetwork.org/centers/global-attc/clas-resources>.

## CONTINUING EDUCATION (CE/CME)

If you would like to obtain Continuing Education (CE) credit, you will need to keep track of the Start and End codes for each session you attend. These codes are used to verify your attendance and to maintain the integrity of our program. You will enter these codes while filling out the CE evaluations. It is the responsibility of each participant to complete the evaluation relevant for their licensing board.

We have provided a start and end code tracker for your convenience. Please keep track of the sessions you are attending and would like credit for.

DAY #1 SESSION TITLE	Session Attended ✓	START CODE	END CODE
<i>Keynote # 1 Kimberly Sue, MD [9:30am - 10:30am]</i>			
Updates to Methadone: Increasing Access, Decreasing Stigma, and New Directions			
<i>Breakout Sessions [10:45am-11:45am]</i>			
[1A] Modernizing Opioid Treatment Regulations to Increase Access to Care			
[1B] Street Medicine and MAT
